Course Fee

The course fee is $850

If you are eligible for the Construction Training fund (CTF), you pay only $602.

Course Delivery Mode

The course will be delivered face-to-face mode for theory and practical training and assessments

Assessment (Competency-based Assessments)

Assessment Tasks may include various theory, practical assessments and observation presentation.

Recognition of Prior Learning (RPL) / Credit Transfer

Pal Education has a recognition of prior learning (RPL) process in place for students who wish to have their prior skills, knowledge, experience and education formally recognised. All students enrolling in the course are entitled to apply for recognition of prior learning (RPL) or credit transfer.

RPL allows the student to be recognised for their skills and knowledge gained from previous study or work experience without repeating the training.

Credit Transfer provides the student with agreed and consistent credit outcomes for components of a qualification based on identified equivalence in content and learning outcomes between matched qualifications. Students will be exempted from the relevant unit of competency who are awarded credit Transfer. Students must submit a verified Certificate or Statement of Attainment issues by RTO for formal recognition.
